**Creación de usuarios para mi conexión MySQL**
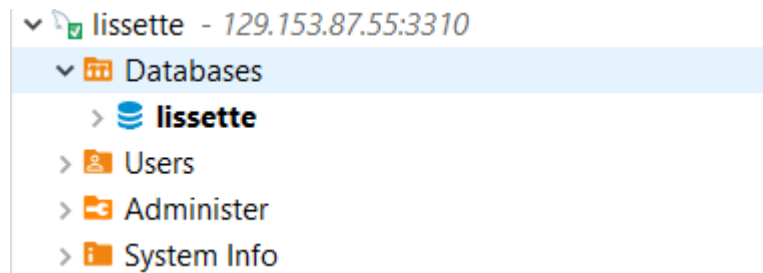

**Josue David Gelvez Jurad-02210131011**

1. create database lissette;

create user '02210131010'@'%';

grant all on \`lissette\`.* to '02210131010'@'%' identified by '02210131010';

2. create database Omar;

create user '02210131021'@'%';
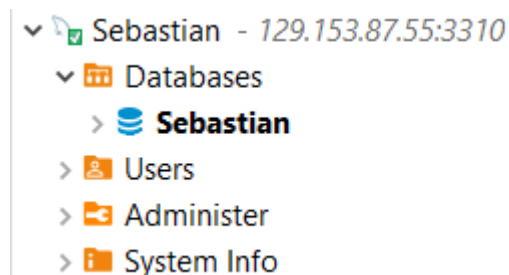

grant all on \`Omar\`.* to '02210131021'@'%' identified by '02210131021';

3. create database Sebastian;

create user '02190132011'@'%';

grant all on \`Sebastian\`.* to '02190132011'@'%' identified by '02190132011';

4.  create database Jehnsy;

create user '02200131005 '@'%';

grant all on `Jehnsy`.* to '02200131005 '@'%' identified by '02200131005';

5.  create database Jaider;

create user '02210131006'@'%';

grant all on `Jaider`.* to '02210131006'@'%' identified by '02210131006';

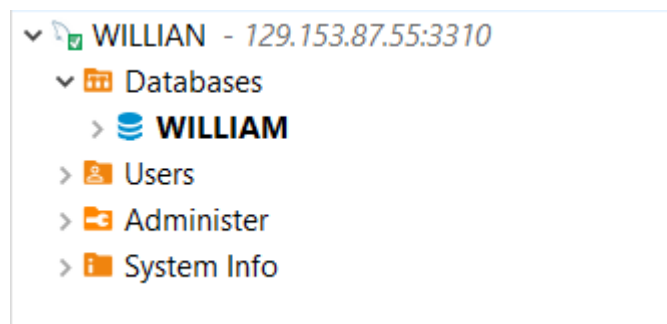

6.  create database ANGEL;

create user '02210131007'@'%';

grant all on `ANGEL`.* to '02210131007'@'%' identified by '02210131007';

7.  create database WILLIAM;

create user '02210131012'@'%';

grant all on `WILLIAM`.* to '02210131012'@'%' identified by '02210131012';

```
